

# DEPARTMENT OF SOCIAL DEVELOPMENT PUBLIC CONTAINMENT MEASURES FOR COVID-19

#### 1. BACKGROUND

- Following President Cyril Ramaphosa's announcement on COVID19 yesterday, minister met with the Department, SASSA National Development Agency and the South African Council for Social Service Professions. The purpose of the meeting was to concretise the Containment plan for the sector through proper implementation of prevention and mitigation strategies to combat the spread of corona virus infections (COVID-19).
- 2. This plan serves to raise awareness of the presence of the novel COVID 19 Virus globally and its potential effect on employees, families, and community members. The plan also provide guideline on what Provinces must do to ensure continuous service delivery without compromising the health of beneficiaries we serve.
- 3. The Employee and beneficiaries' health, safety and well-being during this time is paramount. This plan seeks to inform District and Regional Management of measures to be taken to protect the wellbeing of employees and beneficiaries.
- 4. DSD Sector (DSD, SASSA AND NDA, Social Services Professional Council) as employers need to be proactive in protecting its communities, employees and minimize the impact of COVID 19 to ensure continuity of services. The detail hereby under are some of the proactive steps that must be implemented, which are subject to change as the situation evolves.

### 2. THE DEPARTMENT OF SOCIAL DEVELOPMENT STATUTORY SERVICES REGULATIONS

The Department of Social Development will:

- Render psycho-social support to infected and affected persons and their families
- Render integration and re-unification of persons who have been isolated or placed under quarantine to prevent stigmatisation.
- Monitor behavioural change of persons declared healthy through random screening
- Early Childhood Development Centres as of 18 March until after Easter will be closed. All ECDs to close same time as schools.

- The Minister of Social Development will engage church leadership (NPOs) registered in terms of the NPO Act1997, (Act 71 of 1997 as amended) in dialogues to ensure that there is a buy-in for the implementation of this Regulations.
- All relevant stakeholders and the Departmental staff will be restricted from visiting all DSD facilities including Child and Youth Care Centre (CYCCs), Shelters, One Stop Centres, Community Nutrition Development Centres, Treatment Centres should be restricted (banned) as of 16 March until further notice in terms of the directives provided for suspension of visits to correctional services by the President
- All Old Age Homes (Luncheon Clubs for Older Persons) and Non-Profit Organisations providing services be it statutory and non-statutory must apply hygienic protocols prescribed by department of health
- All essential services including SASSA pay-points as declared must implement good hygiene measure recommended by Department of Health/ safety measures protective, clothing and sanitizers be provided to all employees
- All Social Workers at DSD Command Centre will be provided with information and training on COVID-19 to disseminate accurate information to their colleagues and the public.
- DSD will provide psychosocial support services to all affected, infected people and their families.
- DSD will ensure that they cooperate with other Departments and role players to promote better coordination in preventing and responding to cases.
- Since the President has declared COVID 19 a national disaster which means that the Disaster relief fund through the Fundraising Act will be made available. SASSA is considering staggering of payments to avoid large numbers of people at South African Post offices. This is in line with the disaster management plan regulations.
- This plan cover both staff and the public as a strategy to contain the corona Virus in the Social Development Sector.

## 3. PRACTICAL STEPS TO BE IMPLEMENTED BY EACH OFFICE OF THE DEPARTMENT

#### 3.1. OCCUPATIONAL HEALTH AND SAFETY

- Place sanitizers at the entrance of every offices i.e. head office, regional, district and local offices.
- Request all persons, including employees, to sanitise their hands before entering the office.
- Provide employees who have face to face interaction with beneficiaries or clients with masks and sanitizers. These include the front line staff in local offices, receptionists etc.
- Security personnel to be issued with masks and disposable gloves.
- Where no sanitizers are available, request beneficiaries visiting the office to first wash their hands. Make sure that all bathrooms/ toilets have soap and running water all the time.

- Cleaning service provider must clean (with disinfectant) high traffic areas at least three times per day.
- Employees is encouraged to wash their hands as often as possible.
- · Avoid shaking hands, hugging and kissing.

#### 3.2. OBSERVATION ROOM

- Establish Observation Room must be established in all DSD offices and must appropriately equipped
- Identify a volunteer to manage the Observation Room, preferably an employee who has medical or fist aid knowledge. Liaise with your local Health Department to obtain further guidance in this regard.
- Ensure that only identified and trained Observation Room Attendant/ Assistant come into contact with any employee who present the symptoms of the virus. Consult with your local Health Department regarding guidance on how to handle suspected cases of the virus. This will include guidance on the referral and transportation of these employees to health institutions.
- The Observation Room must only be accessible to the designated employee.

#### 3.3. COMMUNICATION

- Employees are implored not to panic, but cooperate with management in its attempts to contain the virus and prevent the spread.
- Head Office Communications will issue daily updates on COVID 19, but additional messages may be communicated as and when the need arise.
- Communication messages will be posted on notice boards and employees are encouraged to read these to ensure their safety.
- A discussion Forum will be established on the intranet to enable employees to pose questions or share ideas and information. Employees are invited to participate as this forum might provide insight that can preserve lives.
- All employees are requested to provide their mobile numbers to facilitate communicate in case on an emergency.
- Different Units are requested to create WhatsApp Groups to ensure effective dissemination of information in case of an emergency.

#### 3.4. BUSINESS CONTINUITY

- All Managers and Supervisors must identify critical functions within their areas
  of responsibility and identify additional staff and train them to ensure
  continuity in service provision in case the incumbents of the posts have to be
  quarantined.
- ICT must conduct an audit of the available ICT enablers i.e. laptop and 3G cards. These will be made available to employees who are expected to perform official duties while in quarantine.
- The Skype Facility must be made available to all members of the Senior Managers to enable them to conduct meetings where necessary.

#### 3.5. LEAVE ARRANGEMENTS

• The existing leave policy does make provision for special leave in cases where an employee has to be isolated. No employee (infected or suspected to be infected) should be denied leave.

#### 3.6. SUSPENDED FUNCTIONS

- Community dialogues, outreach and visits are suspended
- Customer services for NPOs at the national office in Pretoria will not exceed five clients at a time
- Meetings with more than 100 people are suspended.
- Managers are requested to use and share the skype facilities to enable communication between offices. Alternatively, teleconferencing should be used for meetings.
