DIALOGUE ON TEENAGE PREGNANCY

The Department of Social Development and its partners, United Nations Population Fund (UNFPA), Department of Health, Education and NGOs are in partnership to address and identify mechanisms to work in partnership in addressing the issues of teen pregnancy at a dialogue to be held in Thaba Nchu.

The target group is school going children from grade seven (7) to twelve (12). The focus will be much on children living in rural areas in and around Thaba Nchu and children living with disabilities. The dialogue is going to be highly interactive and ought to show what the youth think about teenage pregnancy and they will also get an opportunity to come up with possible solutions.

The information sourced from the dialogues will be used to strengthen a comprehensive HIV prevention programme for the youth and to curb teenage sexual activities and teenage pregnancy.

The details of the event are as follows:

Date: Friday, 22 August 2014

Time: 10H00

Place: Thaba Nchu College
