Free State Province to launch Moral Regeneration Month

The Chairperson of the Moral Regeneration Movement, Father Smangaliso Mkhathshwa and MEC for the Department of Social Development Me Sisi Ntombela will on Sunday 08 July 2012 launch Moral Regeneration Movement Month at the Central University of Technology (Boet Troskie hall) at 10H00.

The ultimate objective of the Moral Regeneration Movement is to assist in the development of a caring society through the revival of the spirit of botho / ubuntu and the actualisation and realization of the values and ideals enshrined in our constitution, using all available resources and harnessing all initiatives in government, business and civil society. During this month of July, all South Africans are encouraged to reflect on what they can do individually and collectively to make our country a better place for all.

The decision to have MRM Month in July is premised on the fact that it is the month in which the Charter of Positive Values was adopted and it is also the birthday month of former President Nelson Rholihlahla Mandela.

This year being the 10th Anniversary of the Moral Regeneration Movement it is important to revive the image of the MRM and publicise it by using all avenues available or presented to us.

Let us make use of this month to fight against immorality in our communities and public institutions. It is therefore necessary to build vigilant communities who are able to identify acts of immorality and alert the relevant legitimate institutions mandated to deal with such issues under the slogan:

“RESTORING AND LIVING POSITIVE VALUES, TOGETHER”
My Values. Your Values. Our Values
