Yesterday, Friday, 28 January 2022 successful roadshows were held in Fezile Dabi District.

In addition to these roadshows the two departments together with relevant stakeholders will host ECD Function Shift Summit towards the end of February 2022.

At its core these consultations seek to create social compact with the strategic stakeholders in the ECD sector to cultivate co-operation and trust to improve the quality of ECD services.

From 1 April 2022 Early Childhood Development functions will move from the Department of Social Development to the Department of Basic Education.

Media is invited to cover these roadshows.

Jointly issued by the Free Free State Departments of Social Development and Education
